

Government Information (Public Access) Act 2009 – Class 1 Contract

SoftwareAG

Name and address of the private sector contractor:

Software AG Australia Pty Ltd (ABN 30 090 139 503) (the 'Supplier')

201 Miller Street, Level 16, North Sydney, NSW 2060, Australia

Details of any related company that may be involved in carrying out the contractual obligations:

Incotrade Australia Pty Ltd (trading as Leonardo Consulting) (ABN 20 066 273 256) (the 'Consultants')

Date the contract became effective: 18/05/2022

Duration of the contract: 3 years

Particulars of the project or goods or services to be provided under the contract:

Business software (the 'Services').

Estimated amount payable to the contractor: \$203,506.00(incl. GST) in total over 3 years

Description of any allowable variations to that amount:

N/A

Any renegotiation provisions:

No renegotiation or modifications to the terms of the contract are possible except where they are in writing and signed by both TCorp and the Supplier.

Method of tendering and criteria for assessment, if appropriate:

The Supplier was selected to provide the Services based on market search, an evaluation against TCorp requirements, and the Supplier's capabilities and reputation in providing the services mentioned above.

The Implementation Consultants are the preferred implementation service provider of the Services and were recommended by existing NSW Government agencies for this particular piece of work.

Any provisions for payment to the contractor for operational or maintenance services:

Ongoing operational or maintenance activities are included within the annual software service fee.

Note: The agreement owner has completed a supply chain risk assessment, which has been reviewed and accepted by Risk Management
