

Government Information (Public Access) Act 2009 – Class 1 Contract

Talend Australia Pty Ltd – Integration Software

Name and address of the private sector contractor:

Talend Australia Pty Ltd (ABN 64 608 457 652) (the 'Vendor')

Level 1, Unit 14

151 Clarence St Sydney 2000

Details of any related company that may be involved in carrying out the contractual obligations:

Not applicable

Date the contract became effective: 21/6/2019

Duration of the contract: For a period of 4 years

Particulars of the project or goods or services to be provided under the contract:

Provision of software, professional services, and maintenance services relating to implementation

Estimated amount payable to the contractor: \$402,39.60 (incl. GST)

Description of any allowable variations to that amount:

N/A

Any renegotiation provisions:

No renegotiation or modifications to the terms of the contract are possible except where they are in writing and signed by both TCorp and the Vendor.

Method of tendering and criteria for assessment, if appropriate:

A request for proposal was undertaken to shortlist qualified vendors to provide integration software. The Vendor was selected because of its known capabilities, reputation and performance record with regards to integration software.

Any provisions for payment to the contractor for operational or maintenance services:

There are no provisions to provide ongoing operational or maintenance activities.

Note: The agreement owner has completed a supply chain risk assessment, which has been reviewed and accepted by Risk Management
