

## **Government Information (Public Access) Act 2009 – Class 1 Contract**

### **Name and address of the private sector contractor:**

iQ3 Pty Ltd (ABN 64 144 629 603)

Ground Floor  
165 Walker Street  
North Sydney NSW 2065

### **Details of any related company that may be involved in carrying out the contractual obligations:**

Dell, Inc., Dell Australia Pty Limited, Nutanix, Inc., Nutanix Pty Limited, or a related entity or any of them.

**Date the contract became effective:** on or about 22 December 2017.

**Duration of the contract:** approximately 5 years.

### **Particulars of the project or goods or services to be provided under the contract:**

Servers, embedded software and software license(s), and maintenance and support services.

**Estimated amount payable to the contractor:** A\$476,960.00 (including GST).

**Description of any allowable variations to that amount:** Not applicable.

**Any renegotiation provisions:** Not applicable.

### **Method of tendering and criteria for assessment, if appropriate:**

TCorp sought and obtained quotes from 3 prospective vendors (being registered suppliers under the NSW Government's ICT services scheme) and conducted an internal assessment process to determine which supplier to engage for this procurement. The contractor was selected based on value for money and its known experience, capabilities, reputation and performance record.

### **Any provisions for payment to the contractor for operational or maintenance services:**

Not applicable (other than as specified above).

**Note:** The agreement owner has completed a supply chain risk assessment, which has been reviewed and accepted by Risk Management
