

CONTRACTS REGISTER

Government Information (Public Access) Act 2009 - Class 1 Contract

Microsoft Enterprise Agreement

Name and address of the private sector contractor:

Microsoft Pty Ltd (ABN 29 002 589 460)
1 Denison St,
North Sydney NSW 2060

Details of any related company that may be involved in carrying out the contractual obligations:

NA

Date the contract became effective: 25 March 2025

Duration of the contract: 12 months from 25 March 2025 to 24 March 2026.

Particulars of the project or goods or services to be provided under the contract:

Microsoft Unified Support Services (the 'Services').

Estimated amount payable to the contractor: \$221.719.89 (12 months).

Description of any allowable variations to that amount:

There are no variations allowable

Any renegotiation provisions:

An option to renew is exercisable every 12 months, whereby limited new terms may be negotiated.

Method of seeking proposals and criteria for assessment, if appropriate:

Microsoft was selected to provide the Services because:

- It satisfied mandatory agency requirements under the NSW government ICT services scheme;
- It is a registered supplier under the NSW Government Procure IT Framework, see <https://procurepoint.nsw.gov.au/before-you-supply/ict-contract-templates/procure-it-framework>;
- Its known experience and capabilities, reputation and performance record in the market (including previous experience with TCorp); and
- Understanding of TCorp's technology infrastructure environment and business.

Method of tendering and criteria for assessment, if appropriate: Not Applicable.

Any provisions for payment to the contractor for operational or maintenance services: Software licenses are managed under a separate contract.

Note: The agreement owner has completed a supply chain risk assessment, which has been reviewed and accepted by Risk Management
