Government Information (Public Access) Act 2009 - Class 1 Contract

Datacom Systems (AU) Pty Ltd

Name and address of the private sector contractor:

Datacom Systems (AU) Pty Ltd (ABN 39 135 427 075)
Level 31, 1 Denison Street, North Sydney NSW 2060

Date the contract became effective: 10th April 2025

Duration of the contract: Estimated delivery lead time at the time of quotation is approximately 14 days from placement of confirmed order with Datacom.

Particulars of the project or goods or services to be provided under the contract:

Cisco Catalyst hardware switches and related cables and Cisco licensing associated with the Catalyst switches.

Estimated amount payable to the contractor: AUD 187,907.55 (GST exclusive)

Description of any allowable variations to that amount:

There are no variations allowable

Any renegotiation provisions: Not Applicable.

Method of seeking proposals and criteria for assessment, if appropriate:

Cisco was selected to provide the Services because:

- It satisfied mandatory agency requirements under the NSW government ICT services scheme;
- It is a registered supplier under the NSW Government Procure IT Framework, see <https://procurepoint.nsw.gov.au/before-you-supply/ict-contract-templates/procure-it-framework> ;
- Its known experience and capabilities, reputation and performance record in the market (including previous experience with TCorp); and
- Understanding of TCorp's technology infrastructure environment and business.

Method of tendering and criteria for assessment, if appropriate: RFQ

Any provisions for payment to the contractor for operational or maintenance services: Not Applicable.

Note: The agreement owner has completed a supply chain risk assessment, which has been reviewed and accepted by Risk Management
